Letting your light shine

Issue

Churches don't have staff to take calls, post needs, figure out who can help and make sure it gets done.

Therefore, church members aren't provided with enough avenues to serve that fit their skills and interests.

Solution

Take all that administrative work off of the church staff so the church can do more to serve.

Members find numerous volunteer and resource needs, within or outside their church, on their church's website.

we are a donation based ministry!
